Copy of Reference No.Roc.3073B8/50 from the Director of Public Instruction, Madras, to the Secretary to Government, Education Department, Madras, dated 29th November 1950.

Sub: Elementary Education-Aided-Appeals against termination of services of teachers under Rule 13(2) of the Rules for recognition of Elementary Schools.

Appeals from teachers and managers of aided Elementary Schools under Rule 13(2) (Vii) of Chapter I of Part II of the Rules relating to Elementary Schools, against orders of District Educational Officers on cases of violation of the service conditions prescribed in Rule 13(2)(i) to (vi) are at present being disposed of by the Deputy Director of Public Instruction (Elementary) by virtue of the powers vested in him by the Rule revised in G.O.Ms.No.3211 Education, dated 15.12.48. Divisional Inspectors of Schools who ordinarily exercise the appellate authority over all orders of District Educational Officers do not consequently, have any powers in this regard. Under the powers delegated to them in G.O.No.53, Education dated 7.1.50 Divisional Inspectors of Schools in this state are disposing of all appeals from teachers in Elementary Schools under Local Bodies against punishments imposed on them by local authorities. There seems to be no special reason therefore, why the appellate authority now being exercised by the Deputy Director of Public Instruction (Elementary) should not be transferred to Divisional Inspectors.

2. I recommend that Government may issue necessary orders in the matter delegating powers to the Divisional Inspectors of Schools to dispose of the 2nd appeals arising under Rule 13-2(vii) of the rules for recognition.

If the proposal is approved Rule 13(2)(Vii) may be amended as follows:--

Substitute the following for the second sentence in Rule 13-2(vii) of Chapter I of Part II of the Rules relating to Elementary Schools.

"A second appeal shall lie with the Divisional Inspector of Schools".
